

**Green fundraising made simple.
Healthy profits, healthy world!**

eCause Canada Inc.

Fundraising just became easier, healthier and good for the earth!

It is as easy as ABC. Welcome to your simple, profitable, healthy, and earth friendly fundraiser in three easy steps.

- A - Select dates & products.
- B - Invite your community.
- C - Receive & distribute.

There are no minimums, no forms, no monies to collect, and no door to door sales.

A perfect fundraising solution for:

- daycares
- schools
- teams
- groups
- clubs
- Scouts
- Guides

Simple

Fundraising made simple. Your very own, custom designed on-line campaign store can be requested in 5 minutes or less, and can be up and running within 72 hours of approval.

Custom designed flyers, and invitations to your eco boutique are provided to you and are ready to distribute for the launch of your campaign. We create all the advertising for you!

Profitable

Fundraising needs to be profitable to make sense. Your group or organization is raising funds for something you need. Because your fundraiser involves selling products, it also makes sense that your supporters get something of value too. eCause is proud to offer you name brand and sought after earth friendly goods at their real market value.

Up to 30% of all sales from your fundraising campaign are returned to your organization for your cause. Profitable!

Green

Green is more than a colour. It is a way of living that benefits our health and that of our environment. Even our mascot, TH, (short for Tree Hugger) is green at eCause. From our green web hosting to eco packaging and labelling and our earth friendly processes you could say we are green to the core for our earth. Our suppliers are pioneers in a greener more sustainable world. Green!

Healthy

Wanting the best for our families and those we love is our shared common goal. Benefitting our families' health is possible while fundraising with eCause. Our suppliers are predominantly local and are producing products that replace disposables and recyclables. Our collective carbon footprint is reduced. This directly and positively impacts our air quality and reduces the waste accumulating in landfills. Healthy!

eCause Canada is a company specifically designed to support your cause, your health, the planet and our future. We are often asked why, and the answer is simple....
